Indomitable Spirit

Behavior Expectations

In continuing the tradition of martial arts, we expect each student to follow rules and present themselves with a good attitude, respect, effort, and calmness in class. Line up in attention when waiting for your instructor to enter. No foul language, bullying, or negativity will be tolerated.

Martial Arts Etiquette

- Bow when entering or leaving your dojo(training space)
- Bow to your fellow classmates and instructors as a show of respect
- Turn away to adjust your belt or uniform.
- Don't put your belt on the floor and fold your uniform neatly. Take good care of what you have earned.
- Use courtesy and titles in class such as Ma'am, Sir, Mr., Mrs., Ext.

Orientation Class

We highly recommend parents and children watch the Orientation Video attached to the email we sent with this handbook. It will help set the foundation for the life skills we teach as well as proper hand position and a few things they will need to know going into class. If the student is 10 or older, no need to watch.
